<sup>1</sup> Required for **Federally Restricted Use Pesticides**. These records must be kept for two (2) years.

<sup>2</sup> Required for **State Restricted Use Pesticides**. These records must be kept for two (2) years.

<sup>3</sup> Required for **ALL PESTICIDES (insecticides, herbicides, fungicides, etc.) under the provisions of the Worker Protection Standard**. These records must be kept for thirty (30) days after the end of the restricted entry interval (REI) for the respective pesticide. **Exception:** Agricultural owners in family farm situations are NOT required to record this information for themselves or members of their immediate family. But the information must be recorded if any employee is from outside the immediate family.

Issued in furtherance of Cooperative Extension work, Acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture, Dr. Milo J. Shult, Director of Extension Service, University of Arkansas. The Arkansas Cooperative Extension Service offers its programs to all eligible persons regardless of race, color, national origin, sex, age, or disability, and is an Equal Opportunity Employer.
